

Forensic Accounting

Determining an appropriate course of action when handling matters surrounding a financial valuation or claim can be difficult and intimidating. At **Bland & Associates, P.C.**, we provide forensic accounting, valuation and litigation support services to entities such as **law firms, businesses, creditor groups, insurance companies, and individuals** to resolve these matters in a timely and cost-effective manner.

Your Forensic Investigative Team

Our forensic investigative team understands that litigious claims can be complex and time-sensitive. We conduct comprehensive investigations efficiently to help reach a settlement quickly. Our team is comprised of highly trained professionals affluent in both the insurance and legal fields helping to mitigate claim expenses. As Certified Fraud Examiners (CFE's) our team can provide guidance to strengthen your business's internal controls as well as professionally investigate potential fraudulent activities.

Expert Valuation Professionals

Legal claims or for the purpose of securing insurance, investment capital or loan, our business valuation experts can help evaluate your business and assets objectively, obtaining a valuation that is both reasonable and supportable in a court of law.

Bland can provide:

- **Forensic Services**
 - **business interruption loss claim support**
