

Retail Services Group

In the extremely volatile retail marketplace, retailers **MUST** have access to business experts who understand this fragmented and highly competitive environment. At **Bland & Associates, P.C.**, our experts **help our retail clients maximize their day-to-day operations to achieve the greatest potential profitability while minimizing tax burdens.**

Whether you have a traditional “bricks & mortar” or an online retail storefront, our team of professionals appreciate your unique situation and work with you to develop a fully customized financial solution that meets your business goals.

Our experts excel in:

- **merchant and bank fee negotiation**
- **freight surcharge and pricing analysis**
- **commission plans**
- **profitability studies**
- **budgeting**
- **business analysis**
- **tax compliance**
- **benchmarking**
- **cash flow analysis**
- **inventory systems controls**
- **software recommendations**

We, at **Bland & Associates, P.C.**, want to be your expert resource in building your retail business.
