**Bland & Associates, P.C. Adds New Manager to Team**  
Jeffrey Cremers to Manage Audit & Accounting Department

**Omaha, NE** – Bland & Associates, P.C. is proud to announce the recent addition of Jeffrey Cremers to team of accounting professionals.

Jeffrey, a certified public accountant brings more than 15 years experience in public accounting. His duties at Bland & Associates will include the management of his department, and working closely with current audit and accounting clients in providing general accounting, consulting and tax services.

“We are thrilled to add Jeffrey to our Audit & Accounting department,” says Bland & Associates’ managing partner, Jason Tonjes. “His expertise in working closely with clients and his knowledge of business accounting and consulting will be of great benefit to our clients and our firm.”

Before joining Bland & Associates’ team, Mr. Cremers owned his own CPA firm, as well as worked with two local CPA firms. His past work experience includes construction and manufacturing industry-specific accounting, audit and tax management.

Mr. Cremers is a 1993 graduate of the University of Nebraska - Lincoln where he earned his Bachelor’s degree in Business Administration with an emphasis in accounting. He is active in his parish and community, and holds board positions with each.

For more than 30 years, Bland & Associates, P.C. has provided accounting and business consulting services to business, governmental and not-for-profit entities in the greater metro Omaha area. The firm’s team of professionals provides individualized hands-on service in areas such as tax, business evaluation, forensic accounting, management consulting and cost segregation services.
